🐦 @kirel

Machine „dompteur“ with a math diploma from University of Münster and a background in **pattern recognition** and **machine learning**. Creator of **detexify**. I am excited about data products – from the ML up to the UX. I speak many programming languages – preferably functional ones.

📖 EDUCATION

10/2003 – 11/2010

University of Münster

Diploma in Mathematics / Computer Science Ø 1.5

Thesis (1.3): »**Detexify: Recognition of hand-drawn LaTeX symbols**« implemented as a **RESTful** webservice written in **Haskell** and **Ruby** using **machine learning** techniques. Samples are stored in **CouchDB**. See <http://detexify.kirelabs.org>.

1993 – 2002

Gymnasium Laurentianum Warendorf

Abitur Ø 2.0

🕒 EXPERIENCE

smartB

Energy Management GmbH

8/2014 – 3/2015

Data Analyst & Visualization Expert

- Translation of **business requirements** into suitable technical solutions
- Leading frontend development (**Project Management**, **Node**, **D3**, **Angular**) and building APIs and the data pipeline (**Python**, **Pandas**) for our smart meters and **NILM** results
- Drafting and implementing a DevOps process and best practices with **Ansible**

Hitfox Group

Incubator building companies and careers

6/2014 – 7/2014

Data Scientist

- Prototyped a **Big Data** architecture in a **Telco** context
- Supported a new **FinTech** venture by prototyping the backend architecture and implementing the **MVP** with **Rails**

Zweitag GmbH

Ruby on Rails Consultancy

8/2009 – 5/2014

Software Developer

I was involved in a variety of projects ranging from ecommerce sites and auction systems to business intelligence tools. I worked on the **Rails** backend as well as with frontend technologies such as **HamL**, **SASS**, client-side **Javascript**-frameworks and **D3.js** for data visualization.

Responsibilities & Achievements

- Helped establish **TDD/BDD** as a company best-practice (**Rspec**, **Capybara**, **Jasmine**)
- Introduced **Angular.js** as a core technology in Zweitag's projects
- (Co-)authored the software QA-process (**code review**)
- (Co-)authored and coordinated the corporate **mentorship** program
- Evaluated prospective interns and student workers and (co-)authored best-practices regarding the hiring process
- (Co-)authored training materials for interns and new hires

Visualization and Computer Graphics Research Group of the University of Münster

10/2008 – 3/2009

Student worker: Voreen Volume Rendering Engine

Worked on the medical imaging engine Voreen in **C++** and **OpenGL**.

Databases and Information Systems Group of the University of Münster

11/2008 – 3/2009

Student worker: Project Learnr

Built a **RESTful** webservice for managing assets for an E-Learning platform using **Ruby on Rails**.

Institute of Mathematical Statistics of the University of Münster

10/2007 – 10/2008

Tutor in stochastics / probability theory

Tutorials and correction of student homework.

VOLUNTARY EXPERIENCE

TBA 12/2014 - present	Founder We are in the process of founding a new organization promoting data science for social good . See http://dssg-berlin.github.io/ for more details.
Open Knowledge Lab Münster Code for Germany 2/2014 - 12/2014	Lab Lead in a local community revolving around civic tech and open data . See http://codefor.de/muenster for more details. Responsibilities <ul style="list-style-type: none">• Organize local meetups• Stay in touch with local government and journalists• Guide the participants towards common goals
Monster on Rails	Speaker at the local Rails user group with talks on <ul style="list-style-type: none">• Angular.js• Functional Javascript
Open Source	Occasional contributor See http://github.com/kirel .
LG Brillux Münster 10/2011 - 5/2014	Track&Field Manager Young Athletics (Sportwart Nachwuchs) Responsibilities <ul style="list-style-type: none">• Organisation and supervision of track&field competitions• Creation and implementation of young athletics nurturing programs• Uniting coaches of the LG by shaping the mutual vision
TuS Hiltrup 1930 e.V. 8/2006 - 5/2014	Track&field coach Coaching young athletes between ages 12 to 19 especially in vertical jumps and pole vault . Earned several qualifications and final places in the German youth nationals.
FLVW 8/2006	Track&field coaching license (C-Lizenz)
Heinrich-Tellen-Schule in Warendorf 8/2002 - 6/2003	Community Service at a school for special education.

INTERESTS

- Data Science for Social Good
- Data visualization
- Machine learning
- FP (Haskell, Clojure, R, Elixir, ...)
- Open data / data-driven journalism
- Behavioral Science
- Lean startup-methods
- Reading technical books
- Longboarding, wakeboarding, kitesurfing
- Pole vaulting

See <http://kirelabs.org> for personal projects.
